Good afternoon Lora and Ed. I want to let you know that due to a reorganization at EPA Region 2, project responsibilities for the Navy/ Northrop Grumman facility, in Bethpage, NY, have been transferred to Lorenzo Thantu. All correspondence, including project data, should be directed to Lorenzo. His email address is thantu.lorenzo@epa.gov. For EPA's permanent records, duplicate hard copies or disks can be sent to Lorenzo at the following address:
